

Dear Lewisburg Parents,

Registration is now open for our Summer SACC Program. A \$25.00 non-refundable fee will be required per family, due at registration. Weekly payment is due at the beginning of each week, or the Friday prior. We also now offer an online payment option. As of right now, the program will begin on the first day of summer vacation and will end on August 9th. We are still in the process of planning activities and field trips, including trips to the pool. Field trips will take place pending locations being open to the public, and the number of child care groups allowed. As we continue to plan, we will do our best to assure students have a fun and safe summer. Any suggestions for field trips or activities are welcomed. We also welcome Pre-K students providing that the student is five by the first day of summer vacation and is registered to start Kindergarten in the fall. For any Family that may require financial assistance, please call ELRC at 1-888-440-2247 for eligibility requirements. Please keep in mind that our program may not take place, pending a change in State or CDC guidelines/mandates. If you have any questions, please contact either myself or Nicole McCaffrey. Thank you, Leah Shaffer

Weekly Pricing per student:

Full Week: \$200.00

1-4 day(s): \$50.00
